JOB SKILLS

Creating and editing educational materials for the general public, people with kidney disease, healthcare professionals, and organizations; creating and editing 508 compliant training materials for ESRD surveyors posted on the CMS Web site; developing and maintaining databases for CMS staff and others; using the Oracle-based CMS PDQ database to prepare reports ; collaborating with the ESRD Training & Support Team on surveyor training

planning and implementation, participating in the revision of the STAR tablet-based survey software to reflect the ESRD Core Survey Process; drafting responses to questions about the ESRD Conditions for Coverage and ESRD survey and certification to be vetted by CMS staff; explaining the impact of ESRD reimbursement policies on patient care; designing, conducting, analyzing and reporting on surveys; addressing psychosocial needs by interviewing, assessing, educating, and counseling; needs identification and resource finding; coalition building; advocacy; promoting rehabilitation for the chronically ill; staffing a national hotline; managing a Filemaker Pro database; public speaking; owning and managing a business, including strategic planning, developing budgets, grant writing and administration, scheduling, and supervising personnel, and identifying problems and developing solutions to meet clients' needs.

PROFESSIONAL MEMBERSHIPS

- National Association of Social Workers
- National Kidney Foundation Council of Nephrology Social Workers

PROFESSIONAL ACTIVITIES

Agency for Healthcare Research & Quality (federal agency)

- *Determinants of Disability in Patients with Chronic Renal Failure*, Evidence Report/Technology Assessment prepared by ECRI, reviewer (2000)

End Stage Renal Disease Networks (federal contractor)

- Network 12 Coordinating Council, Facility Representative (1983-1996)

Health Care Financing Administration (now Centers for Medicare & Medicaid Services)

- Member, Developing a Facility-Specific Profile for Surveyors Workgroup (1999-2000)

Missouri Kidney Program (state agency)

- Professional Education Planning Committee, Kansas City (1984-1991, 1998-2010)
- Facilitator, Patient Education Program classes (1993-1998)
- Patient Education Program Professional Review Board (1984-1990, 1994)
- Advisory Council (1990-1996) and task force member
- Social Worker Advisory Board (1988)

National Kidney Disease Education Program, National Institute for Diabetes & Digestive & Kidney Diseases, National Institutes of Health (federal agency)

- Patient/At Risk Work Group (2001)

National Kidney Foundation, Inc. (national organization)

- *NKF Family Focus* social work editor (2000-2001)
- Kidney Disease Outcomes Quality Initiative Chronic Kidney Disease Evaluation, Classification and Stratification Work Group (2000-2001); wrote Guideline 12. Association of Level of GFR with Indices of Functioning and Well-Being, *Am J Kidney Dis* 39(2) (Suppl 1):S161-169, 2002.
- Patient Services Committee (1997-1999), RISE Subcommittee (1998-1999)
- Public Policy Committee (1995-1997)
- Public Education Committee (1993-1996, 1998; Program Development Subcommittee (chair 1994); Resource Development Subcommittee (1992-1995, chair 1996)
- NKF representative to National Kidney and Urologic Diseases Advisory Board Planning Committee for Barriers to Rehabilitation conference and Productive Living Work Group leader (1992-1994)
- Popular Medicine Program Committee (1993-1994)
- Rehabilitation Task Force (1993-1997)
- Controversies in Dialysis Steering Committee (1992-1993)
- NKF Spring Clinical Meeting Rehabilitation Program Planning Committee (1992-1994)
- Key Person Network/Renal Representative (1992-present)
- Task Force on Dialysis Reimbursement (1991)
- Board of Directors, Trustee (1990-1992)
- Health and Scientific Affairs Committee (1990-1992)
- Trustee-at-Large (1990), Delegate Trustee (1987-1989, 1992-1993, 1995)

National Kidney Foundation Council of Nephrology Social Workers (national & local)

- National President (1990-1992) and Past President (1992-1994)
- Central Region Representative (1987-1990), Acting Region III Representative (1995)
- Regional Editor, CNSW Newsletter (1986-1987)
- National Legislative Committee (1983-1984)
- Kansas-Western Missouri Chapter Secretary (1982-1984), Membership Chair (2004-2006), Co-Chair (2010-present), member (1978-present)
- Member, CNSW Annual Meeting Planning Committee (1992-1994)
- Member, NKF Spring Clinical Meeting Rehabilitation Planning Committee (1993-1994)
- Established liaison for NKF with Rehabilitation Services Administration, Washington, DC
- Contributed to NKF position paper on national health care reform
- Invited attendee at Institute of Medicine Conference on Quality Assurance
- Invited attendee at NKF Controversies in Quality of Care in Dialysis

National Kidney Foundation Serving Kansas and Western Missouri

- Medical Advisory Committee member (2010-present)
- Patient Services/Program Committee (chair 1988-1990; member 1992-1996, 2000-2010)
- Professional Education Committee (chair 1991-1992, member 1993-2010)
- Kansas Kidney Program Legislative Advocacy (1989-1990; 2000-2001)
- Ethics Committee member (1995-1996, 1999-2000)
- Vocational Rehabilitation Task Force member (1995-1996),
- Board of Directors (1988-1993)
- Affiliate Delegate Trustee (1987-1993, 1995)

National Kidney Foundation Kansas City Metro Chapter (local chapter)

- Board of Directors (1984-1988)
- Chair, Program Committee (1984-1988), member (1982-1984)

National Kidney and Urologic Diseases Advisory Board (federal advisory board)

- Workshop planning committee and leader of Productive Living workgroup, Barriers to Rehabilitation of Persons with End-Stage Renal Disease or Urinary Incontinence (1994)

Rehabilitation Services Administration (federal agency)

- Appointed to Rehabilitation Services Administration's Institute on Rehabilitation Issues Prime Study Group, contributing editor *Effective Strategies for Improving Employment Outcomes for People with Chronic Kidney Disease* for vocational rehabilitation counselors (2001)
